<p>For the keyword 'grammatical physics', I have just gotten the following result.</p> <p>http://www.google.co.jp/search?hl=ja&q=grammatical+physics&btnG=Google+%E6%A4%9C%E7%B4%A2&lr=</p> <p>No other materials than mine seem to include the word 'grammmatical physics.'</p> <p>But many materials other than mine include both the words 'grammatical' and 'physics' separately.</p> <p>I should look at their contents.</p>

<p>I pay attention to the following web page in the previous result.</p> <p>http://blog.goo.ne.jp/eigenwille/c/78d9ce3ad335bdc4cf92bc406932b6e8</p> <p>It includes the word 'Whitehead's epochal theory of time.' I should look up it.</p>
